

# Megan Riley

Megan began riding at the age of 12 and has been working for North Kaludah ever since. She has now spent 5 years training and learning the necessary ropes of the horse industry and is a valued team member. She became a full time employee at the age of 16 and has spent a year living at North Kaludah, fully committed to her riding goals.

Although Mega (nick name) does not have her own horse at this stage, she is aspiring towards obtaining her level 1 certificate so that she is able to coach and gain more skills within this field. She has a dedication towards horses that is exciting, riding and working almost 7 days a week with Christine and Jeremy, assisting with the training of newly broken horses, preparing horses for Jeremy, Christine and other team members at both home and competitions and having lessons with Christine to improve her skills and understandings within the dressage field.

With local combinations such as Christine Crawford aboard Kaludah Renoir and Edward Gal aboard Lingh it is easy to see that she aspires towards some incredibly talented individuals.

North Kaludah has provided Megan with an opportunity to ride and compete at local and state competitions; including the NSW Young Riders Championships during 2005, where she rode Kaludah Concerto in the Novice Pony sections.

Megan is a talented young lady, who has an inspiring and vivacious personality. With her focus and dedication she is bound to be a superb rider to watch out for in the future.

North Kaludah is pleased to be a part of Megan's riding career and look forward to continuing to work with her within our complex.
